Woosida-Compassion

by Yvonne Leith, Elder Advisor

Mitakuyepi, cante wasteya, nape ciyuzyapi ye. Kunsi sampi hemacan. Wanna waniyetu wikcemna sakowin sam yamni waun. My relatives, I greet you with a good heart and a handshake. I am a great grandmother. I am now 73 winters.

Ehanna, many years ago, I searched, searched and finally found my spirit back to our old ways. I searched out the wisdom and knowledge of elders, medicine men and women, who had much wisdom and experience in our indigenous lifeways, Dakota wicohan. These elders taught that the foundation of our Dakota spiritual lifeways was the concept of Woosida, compassion. They taught us to treat everyone as a wotakuye, relative, and as such we were to be compassionate with one another, to be a good relative. Everything you do is done in a good way—from using the language in a respectful, kind way, to your actions—to not make anyone feel bad.

When we establish that kinship and relative way, we use the relative terms that embody that respect and responsibility of being a good relative. We use Ina and Ate for mother and father; kunsi and unkanna, for grandma and grandpa; tunwin and deksi for aunt and uncle; icepansi and tahansi for female and male cousin; tibdo and cunwe for older brother and sister; cunski and cinksi for daughter and son. There are many other terms to describe kinship. Last but not least, wakanheza, children, they too are sacred. Just saying the names to one another, brings you the feeling of family, that closeness and love. We had our sacred hunka ceremony, making of relatives.

We will talk again about the other values we have, such as generosity, courage, perseverance and so much more. Our elders taught us many things, a framework on how to live a good life—It takes work and one which we must do daily in our acknowledgements to Wakan Tanka, Tunkasida, Great Spirit, Grandfather.

KOSKA PROGRAM

Hau-tso, Hau Mitakuyapi, Koska is thriving and going well. For the duration of January, we will continue having Koska Society night every Monday. All Nations Drum night will be on Wednesday nights with Darwin Strong facilitating.

I look forward to working around the school teams practice schedules so that we can maintain flexibility when scheduling so we can have more Koska participating.

As we move in to the new year, Dakota Wicohan and the Koska Program have a lot of language, cultural, and healthy events planned. From now until the Summer months.

If you have any questions or want your father, uncle, grandfather, son, grandson, nephew or any volunteers to be involved with the Koska Program, contact me at Dakota Wicohan. Our Koska Program provides a positive cultural nurturing environment.

Welcome New Staff!

Han Mitakuyapi,

Pídamayayapi.
Hello all my relatives,
I shake your hand with a good heart. My Daḳota name is Ṣná Ṣná Wiƞ (Jingling Woman). My English name is Vanessa Goodthunder. I am Daḳota and Dine (Navajo). I was born and am from where they paint the trees red (the Lower Sioux Community). I live in Eagan, Mn and study at the University of Minnesota - Twin Cities. American Indian Studies- Dakota Language Track and History are the two subjects I am double majoring in. I recently have been hired at Daḳota Wicohan as a Daḳota Language Apprentice. Working at Daḳota Wicohan to help revitalize the Daḳota language as well as the Daḳota way of life is an honor and will help towards my aspiration to become a licensed teacher.

This past year was my seventh year participating in the Daḳota 38 + 2 Wókiksuye Memorial horse ride. Personally for myself, I have grown up and cherished the many life lessons that I have learned while on this ride. Compassion, Respect, Patience, Trust, and Forgiveness are among the lessons this ride has taught me. Having that Suƞktaƞka with their healing abilities lead me to Mankato is a privilege that I don’t take for granted.

This is just a little bit about me and I am ecstatic to start teaching the language while I learn it. Since I am from the area, it is a true pleasure to work with the people of my community. I intend to work hard to keep teaching the Dakota language as well as the Dakota way of life and encourage others to teach one another everything you know even if it is just one word or one lesson.

Hau Mitakuyapi,
My name is Ryan Dixon and I am a new DTA. I am an enrolled member of the Oglala Sioux Tribe. I live on the Lower Sioux reservation with my wife and three daughters. This is the type of work that I have always wanted to do. My children are very interested in learning the language and it has inspired me to learn the Dakota language. Our language is vital to who we are and I am really looking forward to teaching the wakanyeza in a good way.

Dakota 38 Memorial Ride 2012

Dakota Wicohan staff and youth sponsored a meal for the riders in the Dakota 38 Memorial Ride.
This month we are attending the Concordia Language Camp from January 25-27 for ages 13-16. If you are interested in attending, please call me for more information or instructions on how to obtain a permission form. This form needs to be filled out by a parent and returned to the Dakota Wicohan office. Youth may also turn in the form to the Redwood Valley High School office, we can pick them up from there. There will be no tutoring on Thursday’s. I am currently working on some service learning projects for the near future. I’m excited, we have so many great events coming up for Dakota Wicohan’s youth and family.

I hope everyone had a pleasant holiday!
Happy New Year!!

“The Dakota 38 ride is a Memorial Ride, for the 38 Dakota men that were hung in Mankato, and for the two more hung after they got captured in Canada by U.S. bounty hunters. Being a part of the Ride was very spiritual, and it taught me many life lessons that our 4 legged brothers teach us. It is a time of healing and forgiveness. The Ride demonstrates that we, as Native people can and will forgive the whites for what they did to our ancestors.”

- Perry Phillips, Dakota Wicohan Youth
