Primary assignment: (check all that apply)

- Teacher--Social Studies/MN Studies Indian Education Administration

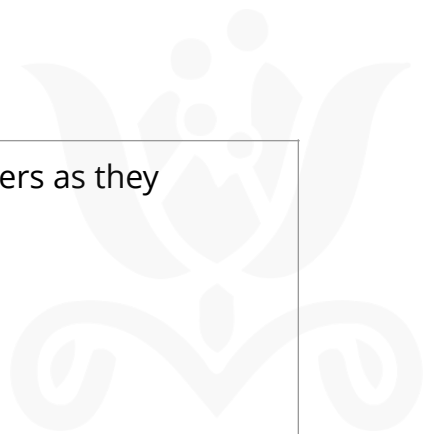

Number of classes:

Total number of students:

Please respond to the following prompts:

Describe your previous experience in teaching about Native peoples and/or Minnesota History.

If you are a 6th grade teacher, how would this curriculum impact the way you teach Minnesota Studies?

If you are not a 6th grade teacher, how would you support teachers as they implement this curriculum?

Describe ways you think this curriculum will enhance student experiences.

What specific standards and benchmarks would this program address?

Please share other comments or questions you have.
